ABOUT US

About Crown Troca

Crown Troca Private Limited is a food export house in Panaji, Goa. Our family has farmed and traded in food since the early 1900s. We founded the company in 2016 and began exporting in 2022.

We work across the length of India, from saffron growers in Kashmir and tea gardens in Darjeeling to pepper and cardamom estates in Kerala and the cashew orchards of Goa. Each product in this catalogue comes from the region that grows it best.

We supply importers, distributors, retailers and food manufacturers, in bulk or in our own TROCA retail packs, with the documents and inspection that international trade asks for.

OUR COMMITMENTS

What we stand for

We support farmers

Most of what we sell is grown on small family farms. We buy from growers and farmer groups we know, pay fairly for good quality and come back to them season after season. Steady, fair demand is the most useful support a farmer can get.

Premium grades only

We trade the top grades of each crop: bold cardamom, extra long basmati, whole unbroken star anise, first quality cashew kernels. A lot that falls short of the grade is not packed under our name.

Organic and natural

We source organically grown produce wherever it is available, and we add nothing to it. There are no colours, fillers or preservatives in any of our products.

Traditionally processed

Turmeric is boiled and dried in the sun. Jaggery is made in open iron pans, black cardamom is dried over wood fires and cashews are peeled by hand. These methods take longer, and they give the flavour our buyers come back for.

WORKING WITH US

How we export

TRADE TERMS	FOB, CFR or CIF under Incoterms 2020, shipped from major Indian ports by sea, or by air for small and urgent consignments.
PAYMENT	Advance by telegraphic transfer, or an irrevocable letter of credit at sight under UCP 600. Production starts once the advance is received.
DOCUMENTS	Commercial invoice, packing list, bill of lading or air waybill, certificate of origin and phytosanitary certificate, with laboratory reports and health certificates where your market requires them.
INSPECTION	Pre-shipment inspection by SGS, Bureau Veritas or Intertek is welcome, appointed and paid for by the buyer.
PACKING	Our TROCA retail packs as shown in this catalogue, or bulk in jute, PP and paper bags, cartons and tins. Sizes and labelling on request.

How to order

1

Write to us

Email Info@CrownTroca.com with the products, quantities, packing and destination port.

2

Quotation

We confirm specifications and grades and send our quotation.

3

Proforma invoice

Once we have your company documents, we issue a proforma invoice.

4

Shipment

Production starts after the advance. Goods are inspected, shipped and fully documented.

SACCHARUM OFFICINARUM

Jaggery

Gur

Jaggery is made the traditional way, by boiling fresh sugarcane juice in wide iron pans until it thickens, then setting it in moulds. The molasses stays in, so it keeps its minerals and its deep caramel taste.

MADE IN
Maharashtra, Uttar Pradesh

FORMS
Blocks, cubes, powder

PACKING
1 kg pouches, bulk cartons

SHELF LIFE
12 months

HS CODE
1701.13

USED FOR

- Sweets and desserts
- Tea and coffee
- Chikki
- Curries and dals

HARVEST SEASON

J F M A M J J A S O N D

SACCHARUM OFFICINARUM

Brown Sugar

Cane sugar with its natural molasses left in, which gives a soft, moist grain and a caramel flavour. It bakes into chewy cookies and rich cakes and dissolves easily into coffee and sauces.

MADE IN
Maharashtra, Uttar Pradesh

TYPES
Demerara, muscovado, khandsari

PACKING
1.5 kg pouches, 25 kg and 50 kg bags

SHELF LIFE
24 months

HS CODE

MALUS DOMESTICA

Apple Cider Vinegar

Seb Ka Sirka

Made from apples grown in the orchards of Himachal Pradesh and fermented slowly in two stages, first into cider and then into vinegar. It has a fruity, rounded tang for dressings, marinades and morning tonics.

APPLES FROM
Himachal Pradesh

TYPE
Naturally fermented

PACKING
Glass bottles, bulk on request

SHELF LIFE
24 months

HS CODE
2209.00

USED FOR

Salad dressings · Marinades · Health tonics · Pickling

HARVEST SEASON
Available all year

DISTILLED VINEGAR

White Vinegar

Safed Sirka

A clear distilled vinegar with a sharp, clean acidity, made in Punjab from grain. It is the vinegar for pickling, chutneys and Indo Chinese cooking, and is also used around the home for cleaning.

MADE IN
Punjab

TYPE
Distilled, from grain

PACKING
Glass bottles, bulk on request

SHELF LIFE
36 months

HS CODE
2209.00

USED FOR

Pickling | Chutneys and sauces | Indo Chinese dishes | Household cleaning

HARVEST SEASON
Available all year

VITIS VINIFERA

White Wine Vinegar

Wine Vinegar

Made from white wine from the vineyards around Nashik in Maharashtra. Its acidity is softer than distilled vinegar, with light fruit notes that suit vinaigrettes, seafood and sauces such as hollandaise.

GRAPES FROM
Nashik, Maharashtra

TYPE
Fermented from white wine

PACKING
Glass bottles, bulk on request

SHELF LIFE
36 months

HS CODE
2209.00

USED FOR

Vinaigrettes · Seafood · Sauces · Quick pickles

HARVEST SEASON
Available all year

TROCA

COFFEA ARABICA, C. CANEPHORA

Indian Coffee

Coorg & Chikmagalur

Indian coffee grows under the shade of tall forest trees in the Western Ghats, often alongside pepper and cardamom. Arabica from Coorg and Chikmagalur is smooth and mild, and robusta adds body and crema. Supplied roasted, as whole beans or ground, in mild, normal or strong roasts.

GROWN IN
Karnataka, Kerala, Tamil Nadu

VARIETIES
Arabica, robusta

ROASTS
Mild, normal, strong

FORMS
Whole bean, ground

PACKING
250 g valve bags, bulk
